

75 Girls to Vie At CD YWBA Cage Tournament

MONTEREY, Jan. 3— Winsome Niponese lassies will take over the Monterey Union High school gym Sunday, January 5, as 75 of them, hailing from six communities, registered for the annual coast district YWBA basketball tournament.

According to Miss Fumiko Owashi, general chairman of the tourney, practically all plans for a successful meet are set, and she called upon each manager and all the players for co-operation in getting off to and maintaining a smooth schedule. Drawing for the games is scheduled for 10 o'clock sharp, Sunday morning, with the first tilt set to go at 11 a.m.

Breaking into the 5-game schedule of girls' play at 4 p.m., the Monterey Poops will tangle with the touted San Francisco YMBA Poops quintet.

The six teams representing their respective chapters are Mountain View, San Jose Purplettes, San Juan, the Watsonville Starlettes, the Salinas Bluettes, and the Monterey Bell-es.

Following the tourney, a gala social is slated to be held in the Japanese association hall on Adams street.
